It Began as the Dorman Mansion,

providing fruit and cattle for the state of Idaho. Then it became a hospital, caring for the community! And, then, as a gift to P.E.O., it became a place to enjoy retirement living for all P.E.O.'s, their friends and families! It is now one of three P.E.O. Chapter Houses remaining in the United States and is still one of the finest homes in Idaho!

".....the house will be modern throughout! And, it is safe to say that it will be one of the finest houses in the city....."- 1910

Did You Know That.....

- The 1936 Chapter House fund started with only \$100.00
- Chapter F created the first 5 year plan
- Our Chapter House has guest accommodations
- We have a professional chef who provides homestyle cuisine
- Our newest resident is a prize-winning tomato grower (*on her patio*)
- Our Chapter House is surrounded by cultural and sports activities (*only 3 blocks to the golf course*)
- Because of your generosity (*116 donors*) over \$7000 was donated this year to the Chapter House on Idaho Gives Day
- Generous donations allow our Chapter House to continue historical preservation projects (painting, roofing, expansion, renovation)

Are You Looking For A Place To Retire?

Do you have a friend or family member who is ready to step into the next stage of their life? Residents do not need to currently live in Idaho.

Our Chapter House is open to all P.E.O.'s and BIL's, as individuals or as couples. The Chapter House Mansion and individual residences can house up to 20 residents. Rental rates are lower than most senior housing.
